

Dear customer,

Our Buns Barn Family is just that—a family made up of team members, guests and the communities we serve. The health, safety and overall wellbeing of our family, and yours, is always our top priority.

With this in mind, we have been closely monitoring the rapidly-changing situation around COVID-19 (commonly referred to as coronavirus), responding to new information as it arises and preparing for all possible scenarios, with the goal of continuing to safely serve you. Out of an abundance of caution, we have taken the following steps beyond our usual high standards:

- Increased handwashing, sanitizing, and glove use by staff
- Asking employees to stay home in the event of fever, vomiting, or diarrhea, in some cases mandating up to a week at home
- Asking employees to avoid others who may be ill
- 3X daily disinfection of all kitchen surfaces, equipment, doors, bathrooms, customer surfaces (tables and chairs), and other high-touch areas
- HOURLY mandatory handwashing breaks
- Thermometers provided to each restaurant location to check for fever of any employee who seems sick
- Hand sanitizer or wipes available at reservation station for guests as they check in
- Modifying operations when needed to be able to continue to serve you.
- Implementing contactless delivery.

### Operation hours change
